Thank Y

Hi eswar,

Si. No	Product Image	Description
1	 A side-by-side comparison of two phones. The phone on the left is silver with a blue and green camouflage pattern on its back, featuring a large camera module with three lenses and a flash. The phone on the right is black with a similar camouflage pattern and a similar camera setup.	Lenovo Legion Phone 2 Pro
2	 The back of an Oppo Find X7 Pro smartphone. It has a prominent circular camera system with three lenses and a flash, and a small "oppo" logo at the bottom. The phone is a light orange color.	Oppo Find X7 Pro
3	 The back of a Nothing Phone 1 smartphone. It features a large, square-shaped camera module with three lenses and a flash, and a red and black textured pattern on the back. The phone is black.	Nothing Phone 1
4	 A side-by-side comparison of two phones. The phone on the left is orange with a large, multi-lens camera system on the back. The phone on the right is silver with a similar camera setup and a colorful abstract wallpaper on the screen.	Huawei Mate 60 Pro
